eecs/msc-it-ft](http://www.th-owl.de/eecs/msc-it-ft)

Part-time

[www.th-owl.de/
eecs/msc-it-pt](http://www.th-owl.de/eecs/msc-it-pt)

Do you want to expand your qualifications in information technology and computer science with an international focus?

- ▶ Do you intend to advance your career in information technology and management?
- ▶ Do you want to gain in-depth know-how in distributed real-time systems, IT security, networks or information fusion?
- ▶ Are you interested in research and development and would you like to carry out your work in research teams?
- ▶ Are you interested in leadership tasks in research and development and do you regard study programs conducted in English as an advantage for doing research, or for becoming a team member in international companies?

Then you are right with us!

Enroll now!

The degree program **Information Technology** is currently not subject to admission restrictions. Interested? Then we look forward to your enrollment. Information on required documents is available at the Matriculation Office via immatrikulationsamt@th-owl.de.

If you have any further questions, our colleagues from the Central Student Advisory Service will be pleased to answer them via email (studienberatung@th-owl.de) or phone (+49 5261 702 2535).
