

## **Exam registration for exams in the winter semester 2023/24**

### **Examination period (PZ):**

**PZ1: 29.01.24 – 09.02.24**

**PZ2: 02.04.24 – 05.04.24**

In order to take part in the examinations, you must register for the examinations in advance. You can register for exams online via the student portal. Participation in the examinations is not possible without prior registration. If you have problems registering for examinations or if you are missing examinations, please contact the Examinations Office. Please also note the information on change requests.

### **Examination registration period:**

**27.11.23 – 10.12.23**

The examination dates can be found in the examination schedule on the department's homepage under „Current Information“. Please note that this examination schedule is continuously updated. Please inform yourself regularly.
