

Call for Papers

Evolutionary and co-evolutionary transition processes

The regional dimension of a green and digital transformation

The 7th Research Area [X]
'Knowledge, Networks and Regions'
Workshop

27.-28. April, 2023
Stuttgart, Germany

Venue:

Center for solar energy and hydrogen research baden-württemberg (ZSW),
Meitnerstr. 1,
70563 Stuttgart

Organizing Team

Kudic, Muhamed; Mueller, Matthias; Buchmann, Tobias; Wolf, Patrick;
Pyka, Andreas; Ebersberger, Bernd

PROGRAM

Day 1

27. April 2023

13.00 – 13.20 Arrival

13.20 – 13.30 Welcome note

13.30 – 15.30 First paper session

(15-20 minutes presentation, 5-10 minutes discussion), presenter *highlighted*

- Manfred Paier, **Sabine Neuberger**, Malin Stegmann McCallion, “Responsible digitalization in traditional industry regions: the impact of road mapping”
- **Susanna Bolz**, “Regional determinants of environmental innovation adoption in Germany”
- **Maïke Becker**, Francesco Cappellano, Indra Da Silva Wagner, Bernd Ebersberger, Teemu Makkonen, “HEI-Way to Bioeconomy – Higher Education Institutions and Regional Readiness to Tackle Societal Challenges”
- **Patrick Wolf**, Muhamed Kudic, Tobias Buchmann, “The influence of digitization and networking on the initiation of research for electric vehicles in German regions”

15.30 – 16.00 Break

16.00 – 18.00 Second paper session

(15-20 minutes presentation, 5-10 minutes discussion), presenter *highlighted*

- **Bjon Asheim**, Markus Grillitsch, “Re-industrialisation and de-globalisation: The semiconductor industry in Europe as example”
- **Matthias Müller**, Stephanie Lang, Lea Stöber, “A bibliographic analysis of the twin-transition”
- Philip Kerner, **Jessica Birkholz**, “Uncertainty and the Transition to Green Hydrogen”
- **María de las Mercedes Menéndez**, “Landscaping twin-transition technologies: a topic modelling approach”

19.00 – 21.30 Social Dinner

Restaurant “Römerhof”, located at: Robert-Leicht Str. 93, 70563 Stuttgart
(located next to the conference venue)

Day 2

28. April 2023

09.30 – 10.00 Arrival

10.00 – 11.00 First paper development session (“world-café” format)

The world-café session will be guided by one of the workshop organizers. Authors of the first paper session present their papers individually (one paper, one table). Authors from the second paper session are kindly asked to move around and give feedback. The feedback and discussion will be centered around four strands:

- i.) framing, research gap and uniqueness of contribution,
- ii.) theoretical background and positioning of the paper
- iii.) new data sources, indicators and methods
- iv.) results and implications

11.00 – 11.30 Break

11.30 – 12.30 Second paper development session (“world-café” format)

The world-café session will be guided by one of the workshop organizers. Authors of the second paper session present their papers individually (one paper, one table). Authors from the first paper session are kindly asked to move around and give feedback. The feedback and discussion will be centered around four strands:

- v.) framing, research gap and uniqueness of contribution,
- vi.) theoretical background and positioning of the paper
- vii.) new data sources, indicators and methods
- viii.) results and implications

12.30 – 13.00 Farewell

Information on publication options (Announcement of publication options in two target journals)

After 13.00 Optional: Lunch at “Römerhof” (self-paying)
